Senior Pet Questionnaire

Additional Information

Please note anything else we should be aware of regarding your pet's behavior so we may better understand him/her.

(i.e. fears, quirks) _____

Do you have any concerns about your pet staying overnight at Red Dog? Yes ____ No ____

• If yes, please describe. _____

Please note that Senior Guests can often experience higher levels of stress while being boarded. They can be set in their ways and are often used to specific daily routines, which can be disrupted when staying at any pet resort. Stress can lower the Guest's resistance to disease and can potentially expose medical problems or aggravate a current one during or after the stay. Some of these health problems could include kidney, urinary, digestive or heart problems. Senior Guests may require written approval from your veterinarian before checking in to Red Dog Pet Resort & Spa® to assure that they are healthy enough for boarding and/or daycare. Red Dog may charge an additional fee per day for Senior Guests requiring extra assistance throughout their stay.

You represent and warrant to Red Dog that all information provided to Red Dog in this Senior Questionnaire by you or on your behalf about the Guest is complete and accurate. If any of the information contained in this questionnaire changes between reservations at Red Dog, you agree to update Red Dog prior to the Guests arrival. Red Dog reserves the right to deny admittance to any Guest for any reason at any time. Including without limit injury, sickness, or behavior that, in the sole judgment of Red Dog, could jeopardize the health or safety of other Guests or the staff.
